### Election of **Lay Members to the General Synod** 18 vacancies are to be filled

Votes will be counted according to the quota-preferential method of proportional representation prescribed by the Regulations under the Regulations of Elections Act 1980. To record a valid vote you must indicate one of the candidates as your first preference by placing the number 1 beside the name of that candidate. You may indicate succeeding preferences by placing the numbers 2,3,4,5 and so on beside other names, using each number only once. Voters are encouraged to show all their preferences, or at least as many as there are vacancies.
