PRSAV-T Inc. Regulation No. 3: 'Use of technology to conduct meetings'

1. This Regulation made by the Council at its meeting of 12 August 2020 confirms that a member not physically present at a general meeting is to be permitted to participate in the meeting by the use of technology that allows that member and the members present at the meeting to clearly and simultaneously communicate with each other, as provided for under [Rule 35](#).
