2007 POLLS: 42ND AUSTRALIAN HOUSE OF REPRESENTATIVES NEW SOUTH WALES

Total first preference votes of winners of single-member divisions are shown in coloured type.

2007 POLLS: 42ND AUSTRALIAN HOUSE OF REPRESENTATIVES **VICTORIA**

Total first preference votes of winners of single-member divisions are shown in coloured type.

Estimated no. of PR seats is at the foot of each table.

Of the 37 divisions in Victoria, the 14 without an absolute majority of first preferences (38%) are in italics.

The MHRs elected for **Deakin** and **Corangamite** each lack a plurality, which is shaded yellow in each case.

To see a major fatal flaw of single-member districts, click on Redistricting Roulette.

It is software - acknowledging its PRSA inspiration - of a USA counterpart of PRSA.
